Address: 11, Sinyul-gil 18beon-gil, Naedong-myeon, Jinju-si, Gyeongsangnam-do, 52849, Jinju, South Korea (Work)

● ABOUT ME

I am an academic and researcher specializing in Food Science and Technology, with a particular focus on Meat Science, poultry meat processing, product development, quality improvement, and sustainable food innovation. I hold an MS in Applied Life Science (Meat Science and Technology) and I am currently pursuing a PhD in Applied Life Science (Meat Science and Technology) as a Brain Korea Scholarship recipient. My research interests include meat and poultry processing technologies, hybrid and alternative meat products, functional food development, protein structuring, meat quality evaluation, sensory analysis, alternative ingredients, and value-added food product development. With a strong background in research, scientific writing, and academic activities, I am keen to contribute to teaching, research, student mentoring, and the advancement of Food Science and Technology.

● WORK EXPERIENCE

INTERNEE – STAR FEED AL WARIS GROUP OF INDUSTRIES – 02/02/2023 – 01/06/2023 – MULTAN , PAKISTAN

Doing Experiments on anti microbial peptide
Proximate Analysis for calculating Crude protein percentage in a thing

RESEARCH ASSISTANT – GYEONGSANG NATIONAL UNIVERSITY – 01/09/2023 – Current – JINJU, SOUTH KOREA

REVIEWER – JOURNAL OF AGRICULTURE AND FOOD RESEARCH (ELSEVIER), FOODS, APPLIED SCIENCES (MDPI), FRONTIERS – 11/01/2024 – Current

Conducted critical evaluation of submitted manuscripts, assessing originality, scientific rigor, and methodological soundness.
Provided constructive feedback to authors to improve clarity, structure, and scientific quality of research papers.
Ensured adherence to journal scope, ethical standards, and publication guidelines.
Contributed to maintaining the integrity and quality of peer-reviewed scientific literature in Food and Meat Science.

● EDUCATION AND TRAINING

01/08/2026 – CURRENT Jinju, South Korea

MICRODEGREE IN ANIMAL FOOD SCIENCE Gyeongsang National University

- Muscle biology
- Muscle Food Processing
- Advanced Topics in Animal Food Chemistry

Website www.gnu.ac.kr | **Field of study** Agriculture, forestry, fisheries and veterinary not further defined

01/09/2025 – CURRENT Jinju , South Korea

PHD APPLIED LIFE SCIENCE (MEAT SCIENCE AND TECHNOLOGY) Gyeongsang National University

Website www.gnu.ac.kr

Website www.gnu.ac.kr | Final grade A |**Thesis** Innovative Modulation of Physicochemical and Sensory Traits in Restructured Meat Patties Using Variable Concentrations of mTG and Methyl Cellulose

10/09/2019 – 14/07/2023 Multan, Pakistan

BSC (HONS) POULTRY SCIENCES Muhammad Nawaz Shareef University of Agriculture**Address** Old Shujaabad Road Multan Pakistan, 25000, Multan, Pakistan

31/03/2015 – 20/08/2017 Multan, Pakistan

MATRICULATION Govt Comprehensive Higher secondary School Multan.**Address** Gulghast Multan , 66000, Multan, Pakistan

24/08/2017 – 10/08/2019 Multan, Pakistan

INTERMEDIATE Govt Alamdar Hussain Islamia College**Address** Dolat Gate Multan , 66000, Multan, Pakistan

● LANGUAGE SKILLS

Mother tongue(s): **BLOCHI** | **URDU**

Other language(s):

	UNDERSTANDING		SPEAKING		WRITING
	Listening	Reading	Spoken production	Spoken interaction	
ENGLISH	C1	C1	C1	C1	C1
PANJABI; PUNJABI	C2	C2	C2	C2	C1

Levels: A1 and A2: Basic user; B1 and B2: Independent user; C1 and C2: Proficient user

● SKILLS

leadership | Decision-making | Organizational and planning skills | Strategic Planning | Good listener and communicator | Motivated | Good Communication | positive thinking | Conflict resolution | Research and analytical skills | Problem-solving

Ms Office

Microsoft Office | Microsoft Powerpoint | Written and Verbal skills | Microsoft Office (Word Excel PowerPoint Outlook)
